

WILL YOUR CAPITAL OR REVAMP PROJECT ACHIEVE PACESETTER RESULTS?

TAKE THIS SIMPLE TEST:

Give yourself 10 points for each yes.

- 1) Are Strategic Planning and Project Execution Plans guiding the design, procurement, field construction and start-up efforts?
 Yes No
- 2) Do you have a well thought-out Contracting Strategy and Plan to select qualified contractors and maximize returns on your project budgets?
 Yes No
- 3) Are the execution plans for Capital Projects and Turnarounds fully integrated and optimized?
 Yes No
- 4) Are owner's goals and contractors' execution plans fully synchronized and both teams are focused by participation in the Contractor Alignment and Team Building sessions?
 Yes No
- 5) Do you have dynamic Planning, Cost Management and Progress Reporting systems?
 Yes No
- 6) Are you implementing Productivity Improvement Programs to maximize execution efficiencies?
 Yes No
- 7) Do you conduct third party Independent Project Reviews to ensure that efforts of owner team, contractors and vendors are fully streamlined to achieve project goals?
 Yes No
- 8) Are your project teams fully indoctrinated in the Best Project Management Practices through Benchmarking Studies, state-of-the-art training and support from project consultant?
 Yes No
- 9) Do you have and follow company-specific Project Management Process and Procedures?
 Yes No
- 10) Are you implementing proactive Cost Containment, Resource Optimization and Execution Urgency Programs to ensure project excellence and pacesetter results?
 Yes No

- **If your score is 100 points:** Congratulations. You are the envy of all peer companies.
- **If your score is less than 100 points:** Project Assurance can provide proven expertise and experience to help you achieve pacesetter results on capital and revamp projects.

We must get
better and smarter.

IT IS TIME TO GET
SMART
ABOUT PROJECTS & TURNAROUNDS

Call us to schedule a **complementary on-site** presentation on **Breakthrough Strategies for Pacesetter Capital Projects**. In this consultative session, we will share with your Plant and Project Leadership Teams the emerging industry trends and innovative management approaches that will consistently ensure pacesetter performance on your future capital and revamp projects.
